The Jersey Grill & Clam Bar serves the freshest food possible, using only quality ingredients. Our rib-eye steak sandwiches are the highest quality choice beef available served fresh, never frozen. Almost everything on our menu is made fresh daily including my grandmothers homemade mozzarella. We serve all of our sandwiches on brick oven baked Italian bread delivered fresh every morning from Hoboken. Our clams are Long Island Littlenecks. They are opened right in front of you and served on the half shell for the freshest taste possible. The Jersey Grill really defines the word quality with our food.
