CHICKEN

Chicken Quesadilla

6 CARBS

Half 5.25 Whole 8.25 A heated tortilla filled with melted cheese & tender chicken strips, served with salsa & sour cream

Broasted Chicken - Broasted chicken is cooked in pure vegetable shortening under pressure at a constant uniform temperature. The moment the chicken is placed in the broaster it is heat sealed, locking in the natural juices, vitamins & nutrients while sealing out the cooking oil. The outside becomes brown & crunchy, never greasy. The plump inside stays moist & lender. Many people who cannot eat fried foods love broasted chicken. It's also great for weight watchers!

| 2 Piece All White Meat 6.50 | 0 |
