Stickey's Smoking Process

Stickey's will bring a unique menu different from the rest. Unlike your everyday fast food we pride ourselves with our homemade venue starting with the simplest items to what Stickey's is known for; Our Barbeque.

We are a true **Smoke House**.

All of our meats are smoked over wood to create the juiciest taste ever. Don't let the color of the meat scare you; Smoked foods have a pink coloring and that is when you know it has been cooked to perfection.

All of our meats are cooked at a very low heat from approximately 3 to 8 hours. We hope you enjoy your meal and if you have any questions we would love to answer them.
