## MAIN MENU

Mara Magley and her husband Glenn founded Mara's in 1984 at the urging of family and friends. Right from the start, Mara's quickly distinguished its core desserts and coffee products as the highest in quality and taste. The "Mom and Pop" business became a family affair when sons Ian and Devan joined the business. In 2004, Mara's Cafe opened in Denville, NJ in order to provide customers with enhanced product options. Mara's signed its first two franchises in 2012. Our Fanwood and Brooklyn locations will be opening in 2013. The cafe strives to achieve the same standard of excellence as the original bakery.

Mara's is recognized for its excellent food, drinks and service, and has been honored with numerous awards and rave reviews. Our goal is to create a dining experience for our customers that we would want for ourselves, with a highly qualified and satisfied staff.

See our Dessert Menu for descriptions and selection of desserts and our Catering Menu for options of how Mara's can feed your family, friends, and colleagues. Refer to our Beans and Blends Guide to choose the perfect coffee beans and our Franchise Brochure to learn how you can bring Mara's to more communities.
