"Family Traditions Since 1922"

Serafina's

RISTORANTE & PIZZERIA

WHO IS SERAFINA?

In 1970, my family and I left Sicily and arrived in New York City after a ten day voyage by ship. We were a family of five moving to a new country with many hopes and dreams. We began our new life in Millville, New Jersey where we worked, lived, went to school and became "Americans." Serafina was my mother. She was a fascinating cook who passed on to me her inspiring Family Traditions. She was born in 1922 and still lives with us in spirit everyday.

Sincerely,

Rosamaria (owner) & Prof. Salvatore Merlino (Serafina's Husband)
