## What's in a Name...

*Shorty's – a third generation tradition of quality food & services!*

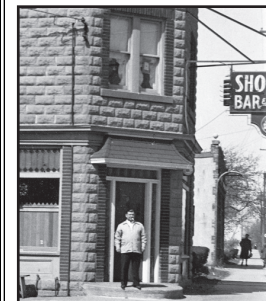

*The name "Shorty's" has been in the Polischak family for over 70 years and starting its third generation. John Polischak (nicknamed "Shorty") and his wife, Mary, opened Shorty's Smoke Shop in Perth Amboy, NJ in the late 1930's - a small local store that sold tobacco, cigars and cigarettes. In 1935 the couple had a son, Richard J. Polischak.*

John Polischak "Shorty"

*John also owned Ford's Liquor's and then The Victory Restaurant appropriately named after the end of WWII in Raritan Twp. (later renamed Edison Twp.) In the mid 40's, Shorty opened a new restaurant venture down the road known as Shorty's Grill. This was a drive-up hot dog stand on the busy corner of Amboy and Woodbridge Ave. in Edison. It wasn't long until he expanded the building into Shorty's Bar & Grill. It was a neighborhood tavern – the "Cheers" of its day with the slogan "Where Good Friends Meet." Locals, blue collar workers and truckers passing through made sure to stop for the food – the famous chili dogs, spirits, companionship and games.*

*Shorty died in 1954 and his son, Richard, ran the bar for years with many family members working there. In 1986, Richard turned the bar into Sunshine Corner Luncheonette until 1991. Richard, Dottie and their son Rich, who managed the business, created a friendly, high quality food establishment at very affordable prices, open for breakfast and lunch.*

*Seventeen years later, Rich Polischak has resurrected his father's and grandfather's family business name. Shorty's Sandwiches is now open on Route 1 in Edison - carrying on the same high quality food, hard work, service and friendship that has been delivered by his family for years.*

*~ From the Polischak Family  
to yours – We welcome you  
to Shorty's Sandwiches!*
